

REMARKS

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Korean priority application.

The specification is amended to more specifically describe the figures in the Brief Description of the Drawings. No new matter is added as a result of this amendment.

Claim 12 has been amended to remove multiple claim dependency. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claims. No new matter is added.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

Dated: September 22, 2004

Respectfully submitted,
